## **1. FROM THE FOUNDER AND CHAIRMAN**

### **1.1 VISION OF FOUNDER**

Elder lee Ki Sup came to India in 1991 to serve the Lord and the people with great passion. He had gone through various several difficulties and trials during his ministry in India. His vision was to start a Bible school and train young men and women, who are called by God to expand the Kingdom of God in India and neighbouring countries as well.

The name of the college, “Kor-In” expresses the symbol of friendship, co-operation and unity between Korea and India. It is well depicted in the emblem of the college. This bond, he believed, went beyond the symbol, to the oneness that we have in the Body of our Lord Jesus Christ.

God guided and blessed us through the prayer support of any prayers and sponsors. He blessed us with a good infrastructure of building of the college. The whole ministry took its inception from nothing.

His greatest desire in life was to extend the Kingdom of God in South Asia. He had desire to offer training to those who aspired to work in God’s vineyard.

He had profound faith in God that graduated of Kor-In would go back to their churches and minister there and in other countries as well.

May God continue to bless this seminary and use the staffs and students for His glory and the extension of His kingdom in this land!

### **1.2 CHAIRMAN’S MESSAGE**

KOR-IN Seminary Summary

The KOR-IN Seminary was established in the year 1994 by visionary layman Elder Lee Ki Sup. He visited Indian in the year 1991 and saw the needs of seminary and work of evangelism. He went back to Korea and encouraged the Korean churches to have a vision to reach India with gospel and with the help of many Korean churches he came back to India and established KOR-IN Trust.

KOR-IN means Korea and India working together for the work of evangelism in India as well as internationally. The main vision of KOR-IN Seminary was to train and equip young leaders for the work of Evangelism in India and other parts of the world. Since the year 1994, hundreds of young leaders were trained and sent to different parts of India as well as other parts of the world. Many of them are working as leaders in the Churches, Theological Seminaries and Mission organizations with full dedication both domestically (India) and internationally.

Now we have graduated students working in different parts of the world such as India, Bhutan, Myanmar, Nepal, Tibet, USA, Korea, European countries and other countries too. I am very much thankful to God for what he has done for KOR-IN Seminary. KOR-IN Seminary's doctrine is based on Evangelical and Reformed Theology related with Traditional Christian Theology from Korean Churches.

MOU was signed with Korean Seminaries in Korea and American Seminaries in USA by the help of Rev. Park and Daegil Presbyterian Church in Korea as well as YMBB. Students who want to go for further studies can apply in those Seminaries.

The Purpose of KOR-IN Trust are: Love and Liberty for Indian Mission Work of Evangelism and equipping leaders to help Indian churches to reach the unreached people group with gospel (Good News)

## **2. GENERAL INFORMATION**

### **2.1. Brief History of the College**

Kor-In Theological College and Seminary came into existence through the vision of Social Worker, Elder Lee Ki Sup, who had a strong calling for evangelism and Church planting in India.

### **2.3. DOCTRINAL STATEMENT**

We believe...

The Bible is the inspired and only infallible, authoritative Word of God.

In one God, the creator of all things, infinitely perfect and eternally existing in three persons: Father, Son, and Holy Spirit.

That Jesus Christ is true God and true man, having been conceived of the Holy Spirit and born of the Virgin Mary, He died on the cross as a sacrifice for our sins according to the Scriptures. Further, He arose bodily from the dead, ascended into heaven, where, at the right hand of the Majesty on High, He now is our High Priest and Advocate.

That the ministry of the Holy Spirit is to glorify the Lord Jesus Christ and during this age to convict men, regenerate the believing sinner, and indwell, guide, instruct, and empower the believer for godly living and service.

That human beings were created in the image of God but fell in to sin and are therefore lost and only through regeneration by the Holy Spirit can salvation and spiritual life be obtained.

That the shed blood of Jesus Christ and His resurrection provide the only ground for justification and salvation for all who believe, and only such as receive Jesus Christ are born of Holy Spirit, and thus become children of God.

That water baptism and the Lord's Supper are ordinances to be observed by the Church during the present age. They are, however, not to be regarded as means of salvation.

That the true Church is composed of all such persons who through saving faith in Jesus Christ have been regenerated by the Holy Spirit and are united together in the body of Christ of which He is the Head.

That only those who are thus members of the true Church shall be eligible for membership in the local church.

That Jesus Christ is the Lord and head of the Church and that every local church has the right under Christ to decide and govern its own affairs.

In the coming of Jesus Christ and that this "Blessed Hope" has a vital bearing on the personal life and service of the believer.
